On 20 January 2022, AMOPA Irlande will host a special discovery talk with Ms Sandy Sinnott, resident in Ireland since 2005 and originally from Haute Savoie in France. Sandy is an accredited Tour Guide and qualified Interpreter in France and in Ireland. During the health crisis, Sandy decided to create virtual guided tours by introducing French-speaking people in Ireland to cities and regions of France by working with the *Alliances Françaises*.

For this second discovery talk, come and discover (or rediscover) the beautiful city of Lyon, its history and its culture....

Each participant will receive after the presentation an additional video with traditional recipes from the city of Lyon that you can cook at home!
